EDITOR'S LETTER

In, out, in, out shake it all about! Yep, it's all go at the moment, with Britain desperate to leave the European Union, while at the same time desperate to stop Scotland trying to leave the United Kingdom. Honestly – we don't know whether we're coming or going any more. Thankfully there's one union nobody wants to break up - the union of words and pictures that's made *Mayfair* the toppermost girlie mag on the shelves these 50-odd years!

ALLI'S PALLY!

Dear *Mayfair*,
I've always been very wary of getting embroiled in a work romance. A mate of mine got himself into all sorts of hot water that way a few years ago, and it seemed to me that it wasn't worthy the bother. All this changed a couple of month's ago, though, when I got drunk with Alli. And I'm not sure why she was so special that I ignored every rule I've ever made, but she just got under my skin and I couldn't resist her.

It all started in May of last year, when she was moved to my department. I hadn't noticed her before then, despite us working for the same company for two years, but as soon as I was seeing her every day I became more and more attracted to her. And I could tell she fancied me too. She'd go out of her way to say good morning to me, always passing my desk with a cheeky grin and we'd often find ourselves in the kitchen making coffee at the same time. And she'd always make the same crack about liking her coffee the same way as her men: "hot, black and sweet – just like you, Paul!" Well, I would've had to be deaf and blind not to pick up on her not-so-subtle hints! I flirted with her a good bit – and enjoyed every second of it – but I wasn't going to take it any further, despite her suggestions that we go for a drink.

It wasn't until the Christmas party just gone that we got it on and I broke my cardinal rule. I always show my face at the work's do for a couple of hours, as it's compulsory and giving it a miss is properly frowned upon, but as soon as everyone starts getting shitfaced (usually by 9pm) I make a quiet exit. Not this year, however. Nope, as soon as Alli clocked me at the bar, she made a beeline for me and didn't leave my sight for the rest of the night. Not that I minded, actually, as she was looking a peach! She had on this really tight dress that barely covered her peachy arse and high pointy stilettos, showing off her toned, tanned legs. I've got a thing for girls' legs and, as the night wore on and we chatted away to colleagues, I couldn't help but daydream about having Alli's wrapped around my back as I slipped her a length.

> "I BRUSHED MY FINGERS AGAINST HER SNATCH AND FELT THAT SHE WAS LITERALLY DRIPPING WITH FUCK-JUICE."

Snapping myself out of it, I excused myself and went to splash my face in the gents' sink, then went outside for a ciggie and a bit of fresh air, hoping it would sober me up a bit.

No sooner had I sparked up, than Alli appeared next to me, asking me for a drag. I jumped, surprised at her being there, but handed her my fag regardless. "Thought I was the only one out here," I commented, as she took a big lungful and passed it back.

"Yeah, well, great minds," she replied, smiling up at me. She shivered, moving in close to me. "It's freezing!" she went on, "Let me inside your jacket to keep warm!" And with that, she opened the front of my blazer and snuggled herself into my chest. I went to take it off to give to her but she stopped me, instead standing on her tiptoe and planting a kiss squarely on my lips. I went to move away, but she wrapped one arm around my neck and pulled me in, holding her body tightly against mine,

GREEN WITH ENVY!

Dear *Mayfair*,
Can you imagine my complete stupefaction when I asked a colleague of mine last Monday whether he's had a good weekend, and he replied that he's had a pretty boring one, having spent the whole weekend in Emma Green! I nearly spat out my coffee, both in amazement and envy. Could he really have had such an amazing weekend – and found it boring?! I was just about to confess my feelings to him when he added that his sister lived there. A little more clarification ensued, and it turned out he'd spent his weekend in Emmer Green, which he explained is a residential area just to the north of Reading. To be honest, I was extremely relieved – he's not the sort of person to merit a weekend spent in one of *Mayfair*'s finest models!

while snaking a hand down to cup my hardening prick through my trousers.

I'm no prude, but I was taken aback. Unfortunately, I was also hammered and had no willpower, so I didn't even try to stop her. And when I felt her unzip my flies, I lost all self-control and snogged her back hard, shoving my tongue into her mouth and grabbing her big, fleshy tits through her thin dress. She groaned and, having finally released my cock from its confines, began stroking and rubbing my rigid tool for all she was worth!

This only went on for about a minute because, as she wanked away, I became more and more obsessed about getting my dick wet inside this gorgeous creature, until the urge was too much and I couldn't wait any longer.

"I FELT HER PUSSY MUSCLES TIGHTEN EVEN MORE, ALMOST VIBRATING AS SHE TENSED BEFORE CLIMAXING."

"Turn around and face the wall," I murmured into her ear. She obliged, spinning round and sticking her arse out towards me. This wasn't an offer I was about to refuse and I sidled up behind her, pushing my boner into the material-clad crevice of her arse as I grabbed her boobs from behind, holding them as I ground my crotch into her bum. She was gasping now, quietly begging for me to fuck her, and that made me even hornier. I yanked her dress up to reveal the tiniest little thong I'd ever seen. I honestly wasn't sure why she'd bothered! I slapped her smooth buttcheek as I went to pull her knickers aside. As I did so, I brushed my fingers against her snatch and felt that she was literally dripping with fuck-juice.

I was so turned on now, that I had to have her and bumped my cock-head up against her pussy entrance. She reached between her legs and held herself open for me, willing me to slide right inside to her warm tunnel.

My helmet nudged her fingers out of the way, and as I entered her tight, wet passage, I felt her fanny walls clenching around my tool. I looked down, watching as my prick slipped in and out of her soaking vag, whipping her juices to foam. Her lips were pink and swollen, and now I felt her pussy muscles tighten even more, almost vibrating as she tensed just before climaxing. When she came, I was almost certain that she was going to bring the whole party outside to see what was going on, she was so loud! I slapped a hand around her mouth to dampen her shrieks and was almost relieved when her orgasm finished and she calmed down.

I wasn't finished with her yet, though, and as soon as her breathing was back to normal, I span her around, lifted her up so her legs were wrapped around my waist and began banging her up against the wall. Her ample boobs were bouncing up and down with every thrust, which was a sight I won't forget in a hurry, and she made such a horny whimpering sound every time I ploughed my dick inside her, that it didn't take me very long to come at all!

I pulled out just before I shot my load (obviously not wanting any accidents!), but I wasn't paying any attention to where I was directing the stream, so I ended up spraying a huge jet of jizz all over Alli's stunning legs! I couldn't have planned it better if I'd tried!

That was only a few months ago and, despite me not wanting an office romance, we have slept together quite a few more times. I'm keeping it very low-key and casual, though – I'm already breaking every rule in my book!

Paul, Birmingham.

THE FULL MONTY

Dear *Mayfair*,

Usually on my birthday I can wake up to a quick shag, but this last one was exceptional. I've been with my girlfriend for four years, and all my past birthdays have fallen on a weekday. Which meant I was expecting to wake up with Sophie's hand round my shaft, swiftly followed by her pussy as she fucked me awake and then dashed of to work. But I woke up on this year to find the bed disappointingly empty.

Maybe she'd just nipped downstairs to get my present, I wondered, but five minutes later I was still alone. Bugger this, I thought, and slipped my dressing gown on ready to go and find her.

Walking down the stairs, I smelled what was going on before I saw it – she was cooking a full English. Not a bad thing, but when a man's expecting to get his rocks off it's hardly a decent substitute. I was all set to pull a grump when I walked into the kitchen and saw Sophie. She was in front of the stove with her back to me, but what a sight! She was wearing a red G-string, bra and stockings, complete with suspenders and six-inch heels.

"Morning sweetheart," she said over her shoulder, acting like nothing was out of the ordinary – like she cooked breakfasts everyday dressed to kill. Her hair was all pinned up and I caught a flash of crimson lipstick as she spoke. "Take a seat, your food will be ready in a minute."

There was a surreal quality to the moment. If I spoke I would ruin it, so I sat down wordlessly at the table. Without acknowledging the unusualness of the situation, Sophie served up my food and sat down beside me. "Eat up, love, before it goes cold," she said, sipping on her tea. I had no real idea what she was up to, except that there was definitely a shag in it for me somewhere, and I'm game to play along with anything that means I'll be getting my torpedo wet at the end.

Tucking into my bacon and eggs, I had a lovely view of Sophie's cleavage out the corner of my eye, and while I was admiring this alluring sight I saw Sophie's hand drop beneath the table and make its way over to my thigh. It slid slowly up my leg, under my dressing gown, and came to rest millimetres from my cock.

"When you've finished that, I'll give you your real present," Sophie whispered in my ear, her hand cupping my balls, giving them a squeeze.

"And what happens if I don't finish it?" I asked, becoming impatient.

"That would make you a naughty boy, and naughty boys don't get any afters…" she said, twirling her hair through her fingers. I tucked in with renewed relish, eating it all in five minutes flat, and sat back in my chair, full. Sophie stood and took my plate away, then returned to the table to sit beside me again. Leaning one elbow on the table, she again slipped her other hand beneath it and ran it slowly up my thigh.

"You look a little full, let me work some of that meal off for you," she said. Pulling my dressing gown open, she took hold of my rock hard meat and began to slowly and softly stroke it up and down.

"HER FRESHLY SHAVED PUSSY GLISTENED, THE PINK FOLDS OF HER LABIA WET WITH HER JUICE."

She brought her face close to mine and kissed me hard, her eyes never leaving mine, her thumb moving over to rub the tip of my dick and smear my pre-come all over it.

"There, that's better," she said, standing and licking her thumb clean. Without any further ado, she climbed onto the table in front of me and lay on her back, her feet on my shoulders, her crotch where my plate had just been.

"I hope you have room left for a little of this," she said, rubbing herself with a finger.

The silk of her thong was moist where she touched herself – it looked like she had been getting excited about this breakfast long before I was awake. I took hold of the thin strips of material around her waist and pulled her panties off, leaving them dangling from one ankle. Her freshly shaven pussy glistened, the pink folds of her labia wet with her juice.

With her feet over my shoulders, I dipped my face down and spread my tongue out wide on her open hole, lapping at her, tasting her from hole to hood. All I wanted to do was to stand up and fuck her as hard as I could, resisting the urge took all the patience I could muster and I worked hard at eating her out, trying to think of nothing but how wild I could drive her with my probing tongue.

I began to fuck her with it, pushing it up her and rubbing her clit with the tip of my nose, bringing my

OK, so it's not quite your classic *Mayfair* look with stockings and suspenders, but there's definitely something to be said for a long pair of socks - especially if they're being filled by the lower quarter of a girl as scrummy as Bexie Williams!

"Do you think so? I wasn't entirely convinced when I was getting ready for this shoot, but they're beginning to grow on me. I just can't get over the feeling I ought to put on some stout walking boots and head off for a hike!"

Hmm, well given the rest of your outfit (or rather lack of it!) we're not sure that's a good idea. You're much better off here with us, where we can keep you all to ourselves!

"Now you can take a hike!"

HOLEY TRINITY!

Dear *Mayfair*,
It's always a red letter day in my house when the new *Mayfair* arrives (that's the beauty of subscribing – you don't even have to keep a furtive eye on the top every time you pop to the paper shop!), but it's an especially welcome day when an issue arrives that features prominently three of my all time favourite girls, Holly Gibbons, Adele Taylor and Natalia Forrest! Each girl has something unique to bring to the table – whether it's their magnificent boobs, gorgeous bums or delectable pussies, but they're all united in having the most stunning faces which, even at the risk of sounding a bit old-fashioned, is still the most important commodity for a glamour model. It was a special treat to see Natalia turned out in such an alluring lingerie combination – simply stunning!
Martin, Spalding.
Thanks Martin, although there's no need to be furtive about checking out *Mayfair* on the top shelf, you know - all the best people do it! - Ed.

thumbs into play by running them along the outside of her pussy lips and squeezing them together round her clit while I tongued and sucked at it. My face was smeared with her juices and Sophie's thighs were shining with her vaginal nectar.

"You are a hungry boy," panted Sophie. She ran her hands through my hair and prised my head from between her thighs. "But I'm hungry, too."

She climbed off from the table and under it until she as kneeling in front of me, her hands on my thighs. Keeping her eyes fixed firmly on mine, she inched her face closer to my cock until it rested on her chin, my helmet down one side of her nose, its tip under her right eye. Then her tongue came out and she slowly dragged it along the underside of my shaft, catching my helmet on its moist cushion. Her tongue disappeared back into her mouth and my cock stretched across her face again as she came down to suck on my balls. I could remain calm no longer, and when her tongue ran up my shaft again I eased my cock into her mouth as Sophie accepted it happily. Soon I was fucking her mouth, pushing my cock in as far as she would let me and then easing it back out while Sophie sucked noisily on it. There was no way I could carry on like this; if I didn't fuck her now it would be too late, and Sophie sensed it.

She stopped eating my dick and came out form under the table. "I think it's about time we got onto the main course," she said, standing in front of me and removing her bra. Turning round, she bent over the table, her legs spread wide, her muscles stretched taut by the six-inch heels. It was a sight I'll not forget in a hurry: Sophie bent over like that, her breasts swinging free, her nipples grazing the table as she looked at me over her shoulder. "Come on, birthday boy, fuck me like you want to."

I came in close to her and let my dressing gown fall from my shoulders. Pulling her buttocks apart with both hands, I slid my cock up her wet hole with ease. Fuck her slowly then build it up nice and easy, I thought, but thirty seconds later I was fucking her hard and fast as she cried out with lustful abandon.

"I'm gonna come," I cried.

"Come on me," Sophie moaned back. I didn't hesitate, but pulled my cock from her hole just in time to shoot arcs of hot spunk over her back. Aiming my dick, I blasted a load onto her bum hole and shot two more over each thigh as Sophie's hand slipped between her legs and rubbed my jizz hard onto her swollen clit. I listened to her orgasmic moans, wiping my cock on her spunk wet ring and pussy, coaxing the last few drops out and we stayed like that for a while, half gasping and laughing as we got our breath back.

It was by far and away the best birthday I've ever had and hope I have more like it.
Colin, Stevenage.

From an opening set that saw Bexie in sox, we now turn to the delicious sight of Lexi in, er, stox! Hmm, I don't think we're going to be able to continue that sort of rhyming pattern throughout the entire issue, so let's lay it to rest right now. And talking of things we'd like to lay, Lexi here seems to be looking hotter than ever, doesn't she? Has she been working out or something?

"As a matter of fact I have been trying to tone up my bum a bit. What do you think?"

Very nice! What technique do you use for that?

"I find slamming it back against a big cock works pretty well!'

AVENTA HORIZON!

Reckon your old banger's letting down the tone of the street? Then perhaps it's time you traded it in for something more impressive...

Lamborghini and performance go hand-in hand and with the new Aventador S Lamborghini have once again elevated the benchmark for super cars to a whole new level, introducing new technological and performance milestones for future super car development.

We usually pop the hood first and take a look at the engine but we're going to have to jump straight in with the new generation design of the Aventador S on this occasion. The Aventador S features a number of exterior developments, particularly in the front and rear, although its profile remains clearly an Aventador. Every modified component is redesigned for a purpose, achieving maximum aerodynamic efficiency while accenting the Aventador's complex, muscular dynamism. Furthermore, Lamborghini Centro Stile has intelligently integrated certain elements of past icons, such as the lines of rear wheel arches reminiscent of the original Countach.

A more aggressive nose and longer front splitter redirect airflow for better airflow efficiency, improved engine cooling and increased cooling to the radiators. Two air ducts in the side of the front bumper reduce aerodynamic interference from the front tyres and optimise wake flow to the rear radiator. The rear of the Aventador S is dominated by a black diffuser, available on request in carbon fibre, characterized by a number of vertical fins that amplify the airflow effects, reduce drag through pressure recovery and generate downforce. Three single exhaust outlets exit through the rear bumper.

The active rear wing is movable in three positions depending on speed and drive select mode, and optimizes the car's improved overall balance, working with vortex generators created in the front and rear of the chassis' underside that maximize air flow as well as assist in brake cooling.

All of these design tweaks result in significantly enhanced aerodynamic performance. Front downforce has been improved by more than 130% over the previous Aventador coupé. When the wing is in its optimum position the overall efficiency at high downforce is improved by over 50%, and in low drag by more than 400% compared to the previous model.

The Aventador S is redeveloped around a 'total control concept' to provide a superior drive; every aspect of the car's suspension and electronic control systems has been advanced, with the goal of particularly enhanced control and driving emotion.

Enhanced lateral control comes from new four-wheel steering, adopted for the first time on a series production Lamborghini. The system provides improved agility at low and medium speeds and more stability at high speed. At low speeds, rear wheels face in opposite direction to the steering angle, thereby virtually reducing the wheelbase. With less steering wheel angle required, the Aventador S is more agile with a reduced turning radius, ensuring higher performance in curves and making it easy to manoeuvre in town and at low speeds. Conversely at higher speeds both front and rear wheels share the same steering angle, thus virtually extending the wheelbase, providing increased stability and further optimizing the responsiveness of the car.

The Aventador S also sits on new, specially developed Pirelli P Zero tyres. Designed to optimize steering, traction, lane changes and braking efficiency, the tyres are specifically designed to respond to the dynamic behaviour induced by the Lamborghini Rear-wheel Steering, ensuring handling consistency and driver feedback. With improved force generation from both front and rear tyres, the Pirelli P Zero tyres provide a higher lateral acceleration and reduce understeer characteristics.

> "ALL OF THE DESIGN TWEAKS RESULT IN SIGNIFICANTLY ENHANCED AERODYNAMICS."

And now on to the engine! The Lamborghini Aventador's naturally aspirated twelve cylinder, 6.5 litre engine outputs an additional 40bhp over its predecessor, which is quite scary when you factor in the massively improved aerodynamics and handling! To achieve the power increase, both the Variable Valve Timing and Variable Intake System have been optimized in order to obtain an enriched torque curve. Additionally, the maximum engine revs have been increased to 8,500rpm. All of this, coupled with a dry weight of just 1,575kg, allows the Aventador S to accelerate from 0-62mph in 2.9 seconds, with a top speed of 219mph. Transmission is provided by Lamborghini's lightweight Independent Shifting Rod 7-speed shifting system, providing robotized gear shifts in up to 50 milliseconds.

The Aventador S adopts a new exhaust system developed as the result of a significant R&D project. More than 20% lighter than its predecessor and the product of testing multiple configurations, the results are an enhanced Lamborghini sound and resonance from the already inimitable V12 aspirated engine, with the three single pipe outlets at the rear of the Aventador S a visual reminder of the new exhaust system.

As in its predecessor, the Aventador S is equipped with a stop-and-start system and cylinder deactivation for optimized efficiency. When full capacity is not required, six of the twelve cylinders are deactivated by switching off one cylinder bank. When the driver accelerates, the system switches back instantly to twelve-cylinder mode, with the changeover virtually impossible to detect.

The Aventador S allows the driver to select between four different driving modes: STRADA, SPORT, CORSA and the new EGO mode, which influence the behaviour of traction (engine, gearbox, 4WD), steering and suspension. STRADA offers maximum comfort for daily use. SPORT provides a

"THE TWELVE CYLINDER, 6.5 LITRE ENGINE OUTPUTS AN ADDITIONAL 40BHP OVER ITS PREDECESSOR, WHICH IS QUITE SCARY!"

sporty, rear-wheel drive feel and CORSA is suitable for maximum track performance. EGO is the new option. This provides several additional and individual set-up profiles, customisable by the driver.

AppleCarPlay also comes as standard, allowing the cockpit's occupants to manage voice activated communications and entertainment from personal Apple devices. The Lamborghini telemetry system is an optional specification: recording lap times and track performance as well as trip data, the telemetry system is especially appealing to the owner who wants to take his car on the track. There really are too many cool things going on inside the Aventador S's cockpit for us to even get started and then there's the small matter of the Lamborghini's Ad Personam program that makes interior specification of the Aventador S virtually limitless, so if you want a microwave installed in the glove compartment, they'll do it! We'll leave that part for the salesman in the dealership to go over with you.

GENTLEMEN, That Reminds Me

Want a sidesplitter or three? Well move along, there's nothing for you here, we're afraid! Email us your efforts at: mayfair@paulraymond.com or send them to: Mayfair, 112 Down Street, West Molesey, KT8 2TU.

The teacher gave her class an assignment: Get their parents to tell them a story with a moral at the end of it.

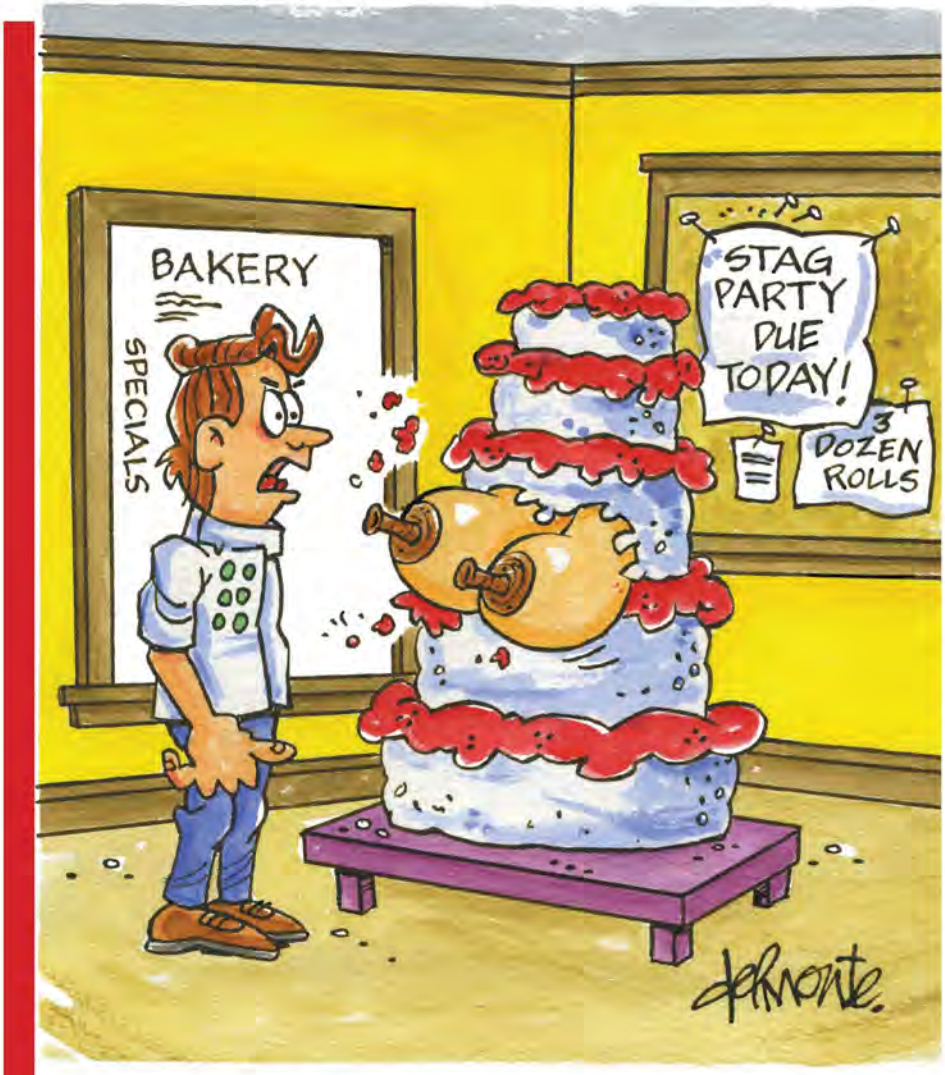
The next day the kids came back and one by one began to tell their stories.

"Johnny, do you have a story to share?" Asked the teacher.

"Yes, Miss," Johnny began to reply. "My dad told a story about my Aunt Karen. She was a pilot in the Gulf War and her plane got hit. She had to bail out over enemy territory and all she had was a small flask of whiskey, a pistol and a survival knife. She drank the whiskey on the way down so it wouldn't break and then her parachute landed right in the middle of twenty enemy troops. She shot fifteen of them with the gun until she ran out of bullets, killed four more with the knife, till the blade broke, and then she killed the last Iraqi soldier with her bare hands."

"Good Heavens!" Said the horrified teacher. "What kind of moral did your daddy tell you to learn from this horrible story?"

"Stay the fuck away from Aunt Karen when she's been drinking!"



" Damn it Gwen! You just had to keep still until 7pm!"

A little lady answered a knock on the door one day, only to be confronted by a well-dressed young man carrying a vacuum cleaner.

"Good morning," said the young man. "If I could take a couple of minutes of your time, I would like to demonstrate the very latest in high-powered vacuum cleaners."

"Fuck off," said the old lady. "I haven't got any money," and she proceeded to shut the door in his face.

Quick as a flash, the young man wedged his foot in the door and pushed it wide open.

"Don't be so hasty," he said. "Not until you have at least seen my demonstration." And with that he emptied a bucket of horseshit all over her hallway carpet.

"If this vacuum cleaner does not remove all traces of this horse shit from your carpet Madam, I will personally eat the remainder."

"Well," she said, "I hope you've got a fucking good appetite, because I had the electricity was cut off this morning."

A man was digging in his back garden one day, when his shovel hit a hard object buried in the earth, which revealed itself to be an old bottle sealed with a cork. The man wrenched the cork free and, to his astonishment, there was a cloud of smoke and a clap of thunder. He then looked up to see a massive genie standing before him.

"As a reward for freeing me, I shall grant you three wishes," said the genie, "But understand, whatever you wish for, your most hated enemy shall receive the same, but twice over."

The man's most hated enemy just so happened to be his next-door neighbour, a Mr Jones.

"Let's see. My first wish is..." He looked at his weather-beaten bungalow, "...to live in a ten-storey luxury mansion with a massive garden."

The genie clapped his hands and suddenly his minute shack transformed into the most beautiful house he had ever laid his eyes on. He heard a cry of astonishment from next door and looked over to see Jones standing in the doorway of his new twenty-storey mansion.

"Now I want fifty of the most beautiful women imaginable," said the man.

There was a big puff of smoke and again his wish was granted. He was annoyed, however, to see Jones grinning and waving, surrounded by his own harem of 100 women, all twice as attractive.

"And what is your final wish, Master?" asked the genie.

"I want to lose a testicle," said the man with a grin.

Scene from MAYFAIR

A very far reach this month, with setting ranging from South Korea and Australia to a Galaxy that's far, far away - and yet oddly familiar!

ROGUE ONE

What were we saying last month about there being two kinds of sci-fi - the cerebral ones (like *Arrival*) and the roller-coaster ones like, er, this? Well, To prove that we're not too up our own arses about this sort of thing! In case you didn't see it at the cinema, it's set somewhere between Episode 3 (excuse me while I wash my mouth out...) and Episode 4, aka the original *Star Wars* movie. So the universe is expanding in all directions at once, which, as any astrophysicist will tell you, it really does. It's kind of an attempt to tell the story of the development of the Death Star, with *Archers* alumnus Felicity Jones starring as the inevitably spunky and comely young heroine Jyn Erso, who gets drawn into the nascent rebellion against the increasingly sinister Empire. It's a stand alone offering that doesn't really impact on the rest of the saga but it is, well, cracking! Brit director Gareth Evans has done us proud.

TRAIN TO BUSAN

Thanks to the majority of American zombie offerings we've got rather used to seeing the undead shuffling around in vast expanses – shopping malls and the like in classics such as *Dawn of the Dead*, and great big fields and forests in *The Walking Dead*. But there's definitely something to be said for a more claustrophobic take on the subject, and this South Korean flick wowed fans of the genre when it hit the big screens last year. Yoo Gong stars as a divorced workaholic who sets off to take his young daughter to Busan to see her mum, but the country's just teetering on the brink of a zombie apocalypse and, while they're on the train, things kick off big style! The infection's made it onto the train, too – and the pair are soon in a frantic battle for their skin as the flesh eating bug makes its way through the passengers. Thrilling stuff – and a masterful addition to the genre for zombie fans to tuck into!

DEEP WATER

Scandi-noir's really let the cat out of the bag, hasn't it? There's hardly a country left that's not making mini-series in which a couple of mismatched cops set about trying to track down a killer – even if the landscapes aren't always quite as colourless and bleak as the original Nordic offerings. This 4-parter, which aired last year, is set on and around the beaches near Sydney, but don't let all that brilliant daylight put you off – the show wears its influences on its sleeve – one of the two main cops has even got a Scandinavian name! Yael Stone and Nick Manning star as two police in question, and they've ben assigned the case of a Bondi body to investigate. Slowly they come to realise they might have a serial killer on their hands in this classy dramatisation of a real life spate of murders that occurred 40-odd years ago.

CHLOE

Age: 22 **Vital Stats:** 32B-27-37 5'3"
Photographer: Iain T

We've had a hard spot for Essex cutie Chloe Toy ever since we first clocked her two or three years ago, and she really seems to be hitting her straps as a model now, don't you think? So what's she done, other than grow up a tad more?

"Oh, well I'm always looking to improve – trying out new poses and expressions. And outfits, of course! I've got a sugar daddy who loves me in this outfit, and I though that if he does, your readers probably would as well!"

Well from where we're sitting, that strikes us as a pretty safe bet!

MAYFAIR Movies

And the winner of the Mayfair award for best movie in the last year is... Orange Juice. Butter. Bread. Oh, hang on, this envelope's got my shopping list from last week written on the back of it!

Wicked Pictures

BUSTED

★★★★☆

CAST: Angela White, Katy Jayne, Valentina Nappi, Katrina Jade, Olive.

I've mad it something of a personal mission to try and watch every new film that Valentina Nappi appears in – partly because she's so hot and, well, wanton, but also in large part because her name makes me chuckle and, when you've spent the last 20 years of your life doing little more than watch an endless stream of bongo flicks, you need a bit of a laugh sometimes...

And, as luck would have it, Miss Nappi's first up – she's filing her nails and looking bored as her dull hubby toils on the computer. As soon as he's out the door, though, she's on the phone, inviting a lucky stud round to take care of her, and within minutes she's got her lovely norks wrapped around his knob. The head over to the velour sofa (that's got to be a bad idea, surely?) to complete the deal, and she rides him every which way. Heh – it can't be long before hubby gets home and they're busted, right? Except no – they finish and there's no sign of him! So Busted just refers to the nice boobs on display. Never mind – there are plenty more cracking norks to ogle, as their owners get seen-to; Olive by the pool cleaning guy, no less!

Adult Channel

SWING NIGHT

CAST: Candy Chang, Samantha Bentley, Lexi Lowe, Alyssa Divine ,Sharon lee, Sienna Day, Sensual Jane.

Forget about *Made In Chelsea* - the spin here is that it's *Made in Mayfair* – not this *Mayfair*, mind, but the glitzy part of town west of Regent Street. The deal is that Lord Henry Davenport likes to hold swanky parties in his well-appointed pad – and invite even better appointed porn stars along to make sure they go with a bang. And sure enough, no sooner have the first round of shots been handed round than Lexi Lowe invited one of the black tied chaps over to a slightly quieter part of the room so she can chomp on his cock and clamber on for a reverse cowgirl. Everyone else looks on approvingly as he slams away at her shave snizz before finally firing his wad all over her smooth smoo. What ho!

Well after that it's a right free-for-all, with Sam B enjoying a lesbo romp with Candy and a whopping red vibe, and then Alyssa and Sharon Lee proving they've more than got what it takes to tease out a goodly load of spunk from one of their fellow guests. And there's loads more goodies to follow. **Available from your local sex shop.**

UK Sinners

STEPMOTHERLY LOVE

CAST: Emma Butt, Chloe Lovett, Maisie Rain, Brooklyn Blue, Ava Austen, Valentina Bianca.

What were we saying about stepmums the other month? American porn's obviously got a bee in its bonnet about them and so, it seems, has the UK grumble industry! Frankly it's enough to make those of us who never had a horny stepmother who'd make a play for us whenever they had the chance feel like they had a bit of a deprived upbringing. Emma Butt takes a break from following her aerobics vid to yank out her stepson's shaven prick. Well, she knows what to do with it, too, like there was ever much doubt.

★★★☆☆

Maisie makes a play for her stepmum Chloe by offering her a big cucumber – and Chloe falls for it hook, line and sinker. I'm not sure what the dad/husband would make of the sight of them on all fours, the green fruit wedged deep into their twats, but I found it pretty interesting, I have to say.

Busty Brooklyn would much rather her stepson played with her tits than with his Wii, and she soon has her way, too, taking a good pounding in reverse cowgirl and doggy before he sploshes off over her shapely rump. And what do you know – Ava and Valentina prove to be equally accommodating! **Available from your local sex shop.**

OK, we'll hold our hands up – the time that's elapsed since we last featured Beth here is quite simply inexcusable - and now we've seen her all dolled-up in those hold-ups we're kicking ourselves harder than any of you lot could (ahem, as long as we kept out of range!). We could make some sort of comment about girls this hot being worth waiting for, of course, but then you could say that about every girl we feature, and we try and get them in a bit more frequently! Ahem, anyway, here she is – at long last!

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

My boyfriend Mitch and I are pretty adventurous in bed. From the first night we met, we've always enjoyed watching ourselves fuck – in mirrors at first (I was still living in a flatshare when I pulled him and I had a big mirror opposite my double bed), but we soon started filming ourselves to watch back later. It's the biggest turn-on ever, seeing my man shagging me – and the pleasure all over my face.

The first time we ever filmed ourselves, I was a bit nervous about not looking too awful, so I spent ages putting my hair up in two French plaits with cute little sparkly slides, and doing really natural make-up apart from half a tube of cherry-flavoured lipgloss.

We used the camera on Mitch's phone and he told me he'd make sure he only got the best angles. At first I just wanked his shaft, slow and easy, making sure he was good and hard before I started licking at his helmet, parting my lips wide to make sure they didn't brush it yet. Then, without giving him any warning, I took his entire length into my mouth. My lips skimmed down his shaft, streaking it with sticky, shiny gloss. I teased him as I licked off every little smear of the stuff, then I rubbed his tip all over my mouth, like I was putting on lipstick, so I could enjoy the fruity flavour as I sucked on his helmet, looking up at both him and the camera through my eyelashes.

When we watched the footage back later, I realised how sexy I looked as I blew him, my lips all pouty around his prick and my cheeks sucked in.

Of course, the horniest thing of all was when he came. I opened my mouth up wide, so he could see the first jet spurt all over my tongue. He jizzed so hard it actually hit the back of my throat when he emptied his balls in creamy waves – and so much that it started running down my chin. I just couldn't stop staring at myself on the screen – I'd felt it so many times, but actually seeing it was something else altogether...

We left the phone where it was, so we could film ourselves screw too. I don't know what was more of a turn-on – actually being fucked at the time, or later seeing my boobs jiggle about and my arse thrust high in the air as Mitch banged in from behind, then sitting on him and reaching down to spread my labia with my fingers, giving the camera lens a clear view of him sliding in down to his ball sac, then slipping out again, all glistening and dripping with my juices.

It turned us both on to see ourselves in action on his phone, but one night Mitch surprised me by taking the whole filming thing a step further.

When I returned home from work one Friday evening, I opened the front door of our flat to find him filming me with a proper camcorder he'd borrowed from a mate of his. He informed me that I was going to be his little gonzo star for the night – not that I knew what the fuck the word meant till he told me – and I'd hardly walked inside before he got me to strip off my clothes.

He filmed everything that night – and I mean everything – only stopping to change the battery pack. The only thing he couldn't do was film me sucking his cock in the shower, but he kept the camera dry by watching me pump my own pussy with a big dildo, after I'd soaped myself up.

I STARTED LICKING AT HIS HELMET, PARTING MY LIPS WIDE TO MAKE SURE THEY DIDN'T BRUSH IT.

By far the horniest bit of footage of that whole night was when he filmed himself fucking me up the arse. We've always loved talking really filthy, and his running commentary was such a turn-on. I've always loved the anticipation of being screwed from behind – never knowing exactly when his cock will touch my backside or pussy. But having him tell me just before he did something sent a big buzz through me – especially as he was playing a sort of role, acting like this was just a job but that his hard-on was getting the better of him. Even when we'd use the mirror, I'd obviously never seen myself getting shagged anally in close-up before, so viewing it later on was incredible. I've got quite a sexy little bum, and seeing my cheeks all splayed and peachy as Mitch caressed them with his free hand, well, it wasn't any wonder he was rock hard! I'd get a quick glimpse of his prick as it bobbed into view, and then he focused on it as he started to wank it against my crack.

He used his helmet to scoop up juices and rub them into my puckered hole, but then he squeezed a big blob of lotion on it too,

Name: **JULIE**
Age: **26**
From: **FULHAM**

to make it really slippery. I felt his fingers disappear right down to the knuckle, teasing and opening me up, and when he positioned his prick at my arse opening, it was like I was actually feeling it all over again. I know I let out a little moan as he pushed in gently but firmly, his whole shaft suddenly slipping in as his helmet penetrated my hole.

He fucked me slowly, stirring the lotion and juices into a creamy froth. Soon I was opened up enough that he was able to pull all the way out for a couple of seconds then plunge straight back in again, down to the hilt. And, when I moaned that I was coming, he pulled my cheeks further apart and began plunging deep inside my anus. Then the second he felt the first pulse of orgasm hitting me, he pulled out so he could film my anal muscles rippling as I climaxed.

After that, he didn't mess around – he fucked me as hard and fast as I could take, until he was on the point of coming, too. I love the feel of him losing his load up my bum, which he usually does, but this time he pulled out, laying his hot, wet length along my crack. He reached down to give his balls a rub, which emptied all the spunk out of them, and all over my bumhole. I was so glad he did, because when we watched it back later, that was my favourite bit of the whole footage!

Mitch has suggested that we upload some of the footage to a porn site, so we can get off on other people enjoying our films. Or we might even get someone else in to film us – maybe a like-minded couple that can add even more to the fun. I know Mitch would love to see me fuck another bloke and definitely another woman. I'll keep your readers posted!

"THE HORNIEST THING OF ALL WAS WHEN HE CAME. I OPENED MY MOUTH UP WIDE SO HE COULD SEE THE JET SPURT OVER MY TONGUE."

Generally speaking I don't sleep with guy on a first date. Especially when I'm pretty sure that there isn't going to be a second date. I'd been so looking forward to dating Martin – he seemed perfect and he knew what he should do with a girl on a date; he'd wined and dined me; made me feel special and even managed to hint at a romantic streak but there'd been something missing. There was no spark, no sexual chemistry and we were both trying to hide the disappointment at the end of the night as he did the gentlemanly thing and walked me home.

"So, do you have another date lined-up? With someone else, I mean?" he asked, after we'd been walking in sober silence for a few minutes. The question caught me off guard.

"I wish," I snorted, then realised how that must have sounded. "I'm not like that - a serial dater." I was flustered but as the silence descended once again, I took a moment to gather my thoughts. "I had hoped that this might lead somewhere."

"Me too," he said, with a note of regret. The silence returned again. "I had hoped that I'd at least get to lick your pussy."

Gobsmacked, I let out a gasp of indignation.

"I beg your pardon?" I said, fully aware that I sounded like a maidenly aunt.

Martin shrugged and gave me a lopsided grin before he continued. "I'd like to lick your pussy – you know: oral sex. Make you come." I laughed at him; at the shockingly casual manner of his revelation.

"I bet you would."

"Obviously, it's not going to happen now – but I'm serious," he said, ignoring my reaction. I stopped laughing when I saw the earnest look on his face.

"A girl needs advance warning before she lets a man down there."

"How much warning?" he asked smoothly. I couldn't believe this was the same man I'd spent an uncomfortable, awkward night with.

"That depends on whether you mind it being a bit prickly." I was

being deliberately flirtatious, knowing that I was giving him an insight into my most private place. He picked-up on it immediately.

"You shave your pussy?"

"Yes."

"Landing strip or triangle?"

"Totally bare."

"I love totally bare," he said, taking my hand in his and squeezing. His touch was electrifying. My head was swimming, even before he dragged me to a halt, using his free hand to tilt my chin before kissing me on the lips. I felt my body arch into his as

> "MY CLOTHES CAME AWAY AND HE NUZZLED INTO MY NECK AS HE PUSHED ME DOWN ONTO THE BED"

he pinned my hand behind my back and held me in place. Masterful, powerful – could he make this moment any better? He could: the first kiss was a gentle one on the lips, but he followed it up with something much more passionate.

"I've been wanting to do that all night," he whispered as he pulled back from me, his eyes still closed. We were locked together for a long moment, as though our bodies had become magnetically charged. He was keeping me there but I didn't want to move anyway; I didn't try to get out of his grasp – there was nowhere I'd rather have been.

I'd just about regained my composure when he opened his eyes. They were still the same piercing green, but there was something new, something he'd been hiding from me – lust. "I want to fuck you."

"I know."

"Will you let me?" I'd never had a man talk to me like that before; be so open and honest about what he wanted. There had been no pretence at civility. He hadn't asked to 'come back to mine' or said the wanted to 'make love' to me or any of the other euphemisms used to mask a request for sex. He wanted to 'fuck' me, plain and simple. My mind filled with sweaty bodies rutting against each other. I wanted it too.

"Yes," I said, my voice sounding unexpectedly sultry. He kissed me again, only this time like a lover, and as his tongue touched off mine it caused teasing shocks of pleasure in my pussy. He'd made me extremely horny and lustful for more. Bubbling with excitement, I guided him to my home, trying to process what had happened in the previous minutes. How had we got from boredom to bedroom?

It's normally a nervous time when I get naked with a new man but it was easy this time, knowing how much Martin wanted me. He was wearing the biggest grin imaginable as my clothes came away and he nuzzled into my neck as he pushed me down onto the bed. I was going to let him have me – on our first date. The thought made me feel slutty and wanton. "I love your perfume," he said, kissing the spot where I had sprayed my neck earlier in the evening. A giddy shiver filled my stomach as I saw my work clothes hanging on the back of my chair topped by my dirty knickers – I never imagined that

I might have company tonight. Company; Martin's lips worked over to mine and a delicious warmth filled me from deep within my core as he kissed me again; it spread into my limbs and my chest and into my pussy.

My heart thumped with excitement as I looked down my naked body and saw Martin's cock just an inch away from my prickly pussy. He was so calm, so assured as he dropped his cock down and into me. My fingers gripped his flanks, pulling him down, urging him deeper. I spread my thighs and lifted my hips with an urgency that hadn't been there until that very instant. "Fuck me. Please," I begged. He ignored me, sliding his cock into my depths and holding it there.

"You're trembling," he said. I hadn't noticed but he was right - I'd lost control of my body. "I love being inside you." It was as though he'd whispered the words straight into my body. It arched for him as I groaned. Oh God, it felt so good. But why was he holding still? It'd feel so much better if he'd just slide that big, hard cock in and out of me. If he'd just fuck me as he'd told me he would. But he just stayed there, motionless, holding me in place. Then I got it – it was like the kiss – he was controlling me. Two could play that game: I looked into his eyes and clenched my pussy muscles, taking a tight grip of his cock.

"Please don't do that," he said, with a strained look on his face. "I'm a big fan of coming, but if I do it now I think we'd both be disappointed."

"You're not teasing me?" Martin seemed stunned by my question and then started laughing. I've never had a man laugh when his cock has been inside me before.

"Teasing you? Is that what you thought I was doing? My cock was so amazed to be allowed inside you that it was eager to pop its load instantly before you realised your mistake."

"Do it," I said, without thinking about what I was saying. Something primal had taken control of me.

"Do what?"

"Come inside me," I said, pushing my crotch back and forth, sliding my pussy over his cock; such tiny movements but so rewarding… for both of us.

"I'm gonna…" I felt his cock jump inside me and his body stiffened as he gave a strangled cry. He was pumping his spunk into my vagina and I instantly dropped my fingers down onto my clitoris and rubbed frantically. The pressure and speed combined with the naughtiness of masturbating in front of my new lover quickly took me to as violent a climax as I could remember. The rush of ecstasy burned me and cleansed me and left me trembling again – this time with satisfaction.

"I LOOKED DOWN MY NAKED BODY AND SAW MARTIN'S COCK JUST AN INCH AWAY FROM MY PRICKLY PUSSY."

He rolled onto the bed beside me. There were no words but neither of us were able to wipe the grin off our faces and we lay until our body heat began to cool, and we had to climb under the covers to keep warm. I shivered as I thought about how close I'd come to letting him go. As first dates go, this one was definitely a winner.

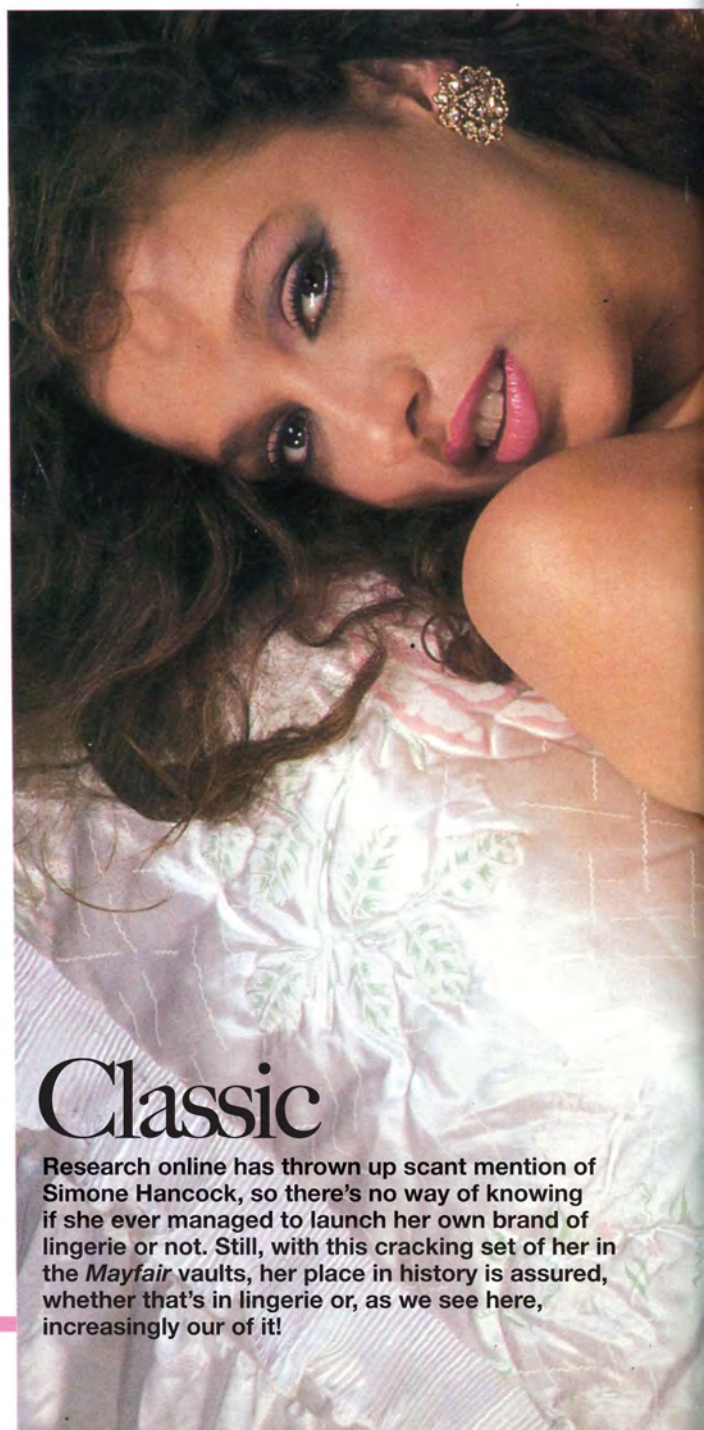
simone

Mayfair is always pleased to welcome new models to its pages, so we're delighted to introduce Simone Hancock from Coventry as she makes her nude debut! "I never thought a simple art student would make it into the best men's mag in the country," Simone says modestly. "I always imagined it was the sole preserve of busty Scandinavians and American glamour pusses. Somehow Coventry seems light years away from the world of modelling." Perhaps,

Photographs by Joanie Allum

but already Simone's 36-23-34 figure is being signed up for calendars, photo shoots and videos in places a lot more hot and exotic than the West Midlands.

By day, Simone studies design, and likes making her own clothes. "I fancy launching a range of underwear like Janet Reger — she's from the Midlands too! I love lingerie, especially the black silky sort. If I become a successful model, I'd wear nothing else," she says. What would her range be like? "Exclusively silk or high quality satin: I love the way it clings to the skin and



Classic

Research online has thrown up scant mention of Simone Hancock, so there's no way of knowing if she ever managed to launch her own brand of lingerie or not. Still, with this cracking set of her in the *Mayfair* vaults, her place in history is assured, whether that's in lingerie or, as we see here, increasingly our of it!

shines in the light. And it must be very revealing." Simone believes that undies say a lot more about a girl than what she wears on top. "Her underwear tells you what sort of person she is deep down, rather than what she wants to portray." And what sort of person is Simone deep down? "I like people to think of me as being arty and rather clever — different from the ordinary girl in the pub," she says. "But frankly I'm just the same as the others. I like good friends, a good bloke and a good time. The only difference is that I hate discos!" Instead Simone enjoys Thai food, a bottle of dry white wine and then an evening by the fire, though not alone. "I love cuddling in my big armchair but there's nobody to join me at present. Except my spaniel, Charlie, that is: he's lovely, but he's no substitute for a good man!"

We've featured Preeti and Priya and now, following Melissa Howe's debut a few issues back, here's her twin sister Carla! We know that checking out our horny babes can leave you seeing double, but this is ridiculous! Ahem, not that we're complaining, mind – and you'll find out why in four weeks' time!
